STALLION: _____ DATE: _____ TIME: _____

MARE: _____ Age/Color: _____ Farm: _____

Emergency Contact: _____ Phone: _____

PLEASE CHECK THE APPROPRIATE CATEGORY AND ATTACH ALL NECESSARY PAPERWORK TO THIS FORM:

*****All mares booked to first year stallion COLONEL JOHN must have a breeding soundness certificate for their first cover in addition to other required paperwork. The breeding soundness certificate may be combined with a culture.*****

- _____ 1. **DOMESTIC MAIDEN MARES (U.S. AND CANADA):** A negative uterine culture is required within **30 days** before the initial cover in 2010 and for **all return covers** (not including doubles). The culture for return covers must be taken from the **current heat period**. A culture certificate must accompany the mare to the breeding shed. **All Maiden mares must be jumped before their 1st trip to the breeding shed.**
- _____ 2. **DOMESTIC BARREN MARES:** A negative uterine culture is required within **30 days** before the initial cover in 2010 and for **all** return covers (not including doubles). The culture for return covers must be taken from the **current heat period**. A culture certificate must accompany the mare to the breeding shed.
- _____ 3. **DOMESTIC FOALING MARES:** No culture is required for the first cover **unless the mare produced a dead foal in 2010**. A negative uterine culture is required for **all** return covers (not including doubles). The culture must be taken from the **current heat period**. All staples must be removed before the mare is brought to the breeding shed. **Foal Heat mares may be bumped at short notice.**
- _____ 4. **IMPORTED MAIDEN MARES:** All fillies of foreign origin must have **2 sets of cultures taken from the clitoral sinuses and clitoral fossa**, with a minimum of 72 hours between obtaining the two sets of cultures, **along with 1 endometrium culture**, that may be included with either of the required sets of swabs. The imported mare shall be the last mare bred during the current session. The next 3 mares bred to the same stallion shall have a CF test drawn 15 to 25 days post breeding. In addition to the CEM and Endometrium cultures, the mare is also required to have a negative uterine culture within **30 days** before the initial cover in 2010 and for **all return covers** (not including doubles). The culture for return covers must be taken from the **current heat period**. All culture certificates must accompany the mare to the breeding shed. **All Maiden mares must be jumped before their 1st trip to the breeding shed.**
- _____ 5. **IMPORTED FOALING AND BARREN MARES:** Contact the State Veterinarian's Office in Frankfort regarding testing procedures and acquisition of a quarantine release for the 2010 breeding season. **A copy of a QUARANTINE RELEASE with Negative Endometrium CEM Culture, must accompany the mare on her first trip to the breeding shed. Imported Barren mares must also have a negative uterine culture within 30 days of the initial cover in 2010.** The first 3 mares bred after the imported mare will be required to have a CF test drawn 15-25 days post-breeding. A negative uterine culture taken from the **current heat period** is required on **all return covers** (not including doubles) for **both Imported Barren and Imported Foaling mares.**
- _____ 6. **RETURN COVER:** A negative uterine culture is required for **ALL** return covers (not including doubles).
- _____ 7. **DOUBLE: NO FOAL HEAT DOUBLES.** Doubles and Foal Heat Mares may be bumped at short notice for first-trip mares in any given cycle.

*****Please indicate if we have permission to tranquilize your mare: Yes _____ No _____

*****Is this mare hard to twitch?: Yes _____ No _____

This form must be **completed and signed** by a representative of the mare's boarding farm **prior to** arriving at the Breeding Shed. It is the responsibility of the mare owner or his agent to present the proper mare for breeding. The manager of the Stallion may refuse breeding if, in his/her sole opinion, it might be detrimental to the health or safety of the personnel, the Stallion or the Mare. The Stallion owner, WinStar and their respective agents and employees are not responsible for and are released and indemnified by mare owner from and against damages for any accident, injury or disease incurred by the Mare or resulting in the death of the Mare. **All mares must have proper identification when presented for breeding (halter or neck strap with her name on it). If the mare does not have proper identification and all required paperwork, she will not be bred. PLEASE BE ON TIME.**

Signature of Owner or Authorized Agent: _____
